Joyful Noise 9 Marketplace

We are excited to announce that **Joyful Noise 9** is scheduled for

Saturday, June 17 from 10 am – 7 pm

What is Joyful Noise, you ask?

It's an all-day music festival of sorts where performers will provide uplifting, family-oriented music, ranging from rock, folk, Celtic, secular, and religious. This year the performance schedule includes a great mix of musical styles from local, regional and national performing artists including Craig Thatcher and Bob Halligan of Ceili Rain. Children's activities will entertain the younger set and there will be a variety of food to please everyone! Raffle Baskets, 50-50's, and tons of conversation and laughter! All net cash proceeds will go directly to Quakertown-area food pantries.

Our Marketplace will include local artisans and crafters, *like you!* Show your wares. Sell your goods. Offer up your tasty samples. **Space can be rented for the day at a fee of \$25/space (approx. 10 x 10 or larger).** You would be responsible for bringing a table, a chair or two, and some sort of shade cover, if desired. We are not mandating that any part of your profit be added to our donation to the food pantries; however, we would not discourage anyone from donating a portion of your sales.

New this year: OUR LOCATION! We are so excited to announce that Joyful Noise 9 will be held at a new venue this year: Park at 4th (Univest Performance Center) in Quakertown Borough. We hope that holding the festival there will allow for even more visitors to enjoy the music and support the cause.

We hope you will consider taking advantage of this opportunity. **If you are interested in working with us, please complete the attached form and return it to the church office, Attn: Kelly Shaak.** Please include your payment (checks payable to St. Paul's, memo: JN9).
